

## A Toolkit Day

is for anybody involved in Quaker work with children and young people. This could be in Children's Meeting, a young people's event or link group, an Area Meeting Residential or other activity. Toolkit days are also good for Friends who support others doing children and young people's work - Elders or Overseers for example. You might be new to the work or have been involved for a longer time.

### A Toolkit Day will give you:

- ⌚ Opportunities to talk about what is going on in your Meeting or other Quaker settings – including hearing about ideas, resources and what other people are doing
- ⌚ Tasters of key resources available for children and young people's work in Meetings and different Quaker settings – particularly *Journeys in the Spirit*
- ⌚ Time to share and explore questions, dilemmas and difficulties with others involved in Quaker children and young people's work. A brief introduction to Area Meeting Safeguarding policy.
- ⌚ Time to reflect on and plan for children and young people's work in your own meeting.
- ⌚ Opportunities for the development of links and networks.

### Toolkit Day details and booking:

The day is organised and hosted by the Children and Young People's Work Advocate for your Area Meeting or region.
