

DAM RESPONSIBILITIES, 2013-:**BY MEETING**

If you want who does what in the Area Meeting, or perhaps want a reminder of when your own responsibility ends, the table below should provide the answer. Please let me know if it seems incorrect!

The table is arranged by **Meetings A/Z, & within that by Responsibilities A/Z**
It was last updated from the Minutes of Devon Area Meeting held **10 November 2012**
Look at the other file instead if you need it arranged primarily by Responsibility

NOTES

- 1 *This list is only updated at two-monthly intervals (after each Area Meeting)*
- 2 *Area Meeting minutes or AM Clerk will normally be the only sources for the information shown; but please email me at alan@ray-jones.org.uk (or ring 01822 810606) about spelling errors, or if something is obviously incorrect.*
- 3 *Each name is shown here with the prior permission of the person named, given direct to me or via the LM Clerk. Permission lasts until withdrawn. Where members ask that their names should not be shown, you can ask the Clerk of the LM indicated for the name.*
- 4 *Starting Sept 2010, the triennium served is shown before the Notes column, and The Area Meeting Minutes from which the entry is taken is after the Notes column.*
- 5 *I have deleted past names in this version of the list to make it easy to read, but if it would be better to leave them in I could easily do that.*
