

**DAM RESPONSIBILITIES, 2013-:**

**BY RESPONSIBILITY**

If you want who does what in the Area Meeting, or perhaps want a reminder of when your own responsibility ends, the table below should provide the answer. Please let me know if it seems incorrect!

The table is arranged by **Responsibility A/Z, & within that by Meetings' names A/Z**  
 It was last updated from the Minutes of Devon Area Meeting held **10 November 2012**  
**Look at the other file instead if you need it arranged primarily by Meetings**

**NOTES**

- 1 This list is only updated at two-monthly intervals (after each Area Meeting)
- 2 Area Meeting minutes or AM Clerk will normally be the only sources for the information shown; but please email me at [alan@ray-jones.org.uk](mailto:alan@ray-jones.org.uk) (or ring 01822 810606) about spelling errors, or if something is obviously incorrect.
- 3 Each name is shown here with the prior permission of the person named, given direct to me or via the LM Clerk. Permission lasts until withdrawn. Where members ask that their names should not be shown, you can ask the Clerk of the LM indicated for the name.
- 4 Starting Sept 2010, the triennium served is shown before the Notes column, and The Area Meeting Minutes from which the entry is taken is after the Notes column.
- 5 Starting March 2011 the names of those released (rel'd) are left in the file to provide a history of who has done what, which is otherwise to be found only by looking through AM Minutes or numerous versions of this file. **All current names are in red.**
