

DAM RESPONSIBILITIES, 2013-

ARRANGED BY RESPONSIBILITIES A/Z

If you want who does what in the Area Meeting, or perhaps need a reminder of when your own responsibility ends, the table below should provide the answer. Please let me know if it seems incorrect!

The table is arranged by **Responsibilities A/Z**, & within that by **Meetings A/Z**. It was last updated from the Minutes of Devon Area Meeting held **11 May 2013**

NOTES

- 1 This list is only updated at two-monthly intervals and sometimes less often.
- 2 Area Meeting minutes or AM Clerk will normally be the only sources for the information shown; but please email me at alan@ray-jones.org.uk (or ring 01822 810606) about spelling errors, or if something else is obviously incorrect.
- 3 Each name is shown here with the prior permission of the person named, given direct to me or via the LM Clerk. Permission lasts until withdrawn. Where members ask that their names should not be shown, you can ask the Clerk of the LM indicated for the name.
- 4 Starting Sept 2010, the triennium served is often shown before the Notes column, and the date of the relevant Area Meeting minutes is shown after the Notes column.
- 5 Starting in 2010 is an annual HISTORY file to provide a history of who did what, which is otherwise to be found only by looking through AM minutes. It is not complete, some names are missing.
