

## DEVON AREA MEETING RESPONSIBILITIES FOR 2012

If you would like to know who does what in the Area Meeting, or perhaps want a reminder of when your own responsibility comes to an end, the table below should provide the answer. Let me know if it is wrong!

The table is arranged by Responsibility A/Z, within that by Meetings' names A/Z, and was updated from the Minutes of the Area Meeting of **8 September 2012**

### NOTES

- 1 This list is only updated at two-monthly intervals (after each Area Meeting)
- 2 Area Meeting minutes or AM Clerk will normally be the only sources for the information shown; but please email me at [alan@ray-jones.org.uk](mailto:alan@ray-jones.org.uk) (or ring 01822 810606) about spelling errors, or if something is obviously incorrect.
- 3 Each name is shown here with the prior permission of the person named, given direct to me or via the LM Clerk. Permission lasts until withdrawn. Where members ask that their names should not be shown, you can ask the clerk indicated.
- 4 Starting Sept 2010, the triennium served is shown before the Notes column, and The Area Meeting Minutes from which the entry is taken is after the Notes column.
- 5 Starting March 2011 the names of those released (rel'd) are left in the file to provide a history of who has done what, which is otherwise to be found only by looking through AM Minutes or numerous versions of this file. **All current names in red.**
- 6 This update includes some corrections made to the list at the end of 2011
